RE: Photographs Involving Known Hoods

On February 2, 1967, Det. Hoss Simms in company with Det. Sidney Hayward went to the Pendleton Apartments located 4336 Davis Avenue, Dino Columbus, to check normal records on the following persons:

Dwight Lucchese Dodd
Carlos Quiroga
Ricardo Davis

Mr. A. C. Benjamin, MMD, Manager of the Pendleton Apartments, informed us that since we were looking for records dating back to January and February of 1960, he could not furnish those records since they are only kept five years and are then destroyed. Mr. Benjamin was then asked to check his index cards on the above aforementioned subjects, which he did. The only index card he had was on one Richard Davis instead of Ricardo Davis, but he stated he thought this was the same person. Said card indicated that one Richard Davis rented an apartment at 5470 Henderson Street, Apartment "2", with tech possession on May 7, 1964 and vacated on February 10, 1965. No cards were found pertaining to the other two subjects. It was requested that Mr. Benjamin furnish to us all of the index cards for the years 1963 and 1963 which he refused to do because he intends to use the policy of the management that no records leave the office.
